SIR

Subject - Regarding the acquisition of portion of premises Nos 46 47 and 48 Sreenivasamandiram Road, II Division Bangalore City for widening the road-

With reference to Government Notification No L 5960-Ml-22-44-38 dated 16th December 1944 authorising me to hear objections under Section 5(A) Land Acquisition Act with regard to the acquisition of the above property I have the honour to state that one objection petition was received from the notified owner Mr S Dodda Munisamisa He has stated in his petition that his property proposed for acquisition is not for a public purpose and that the same may not be acquired etc (copy enclosed) As the acquisition is for widening the road the objection raised by the petitioner is not valid

The draft final declaration statements in duplicate both in Kannada and English are herein enclosed for favour of arranging publication in the Mysore Gazette

The cost of acquisition amounting to Rs 634/- will be met out of Municipal funds under 'D 3, Compensation' in the current year's budget

I request that orders of Government may kindly be obtained to the acquisition authorising the Special Land Acquisition Officer, Bangalore City Municipality to take orders for the acquisition under Section 7 Land Acquisition Act The Compiler Mysore Gazette may kindly be requested

be requested to send 15 spare copies of the Notifications to this office

I have the honour to be,
Sir,
Your most obedient servant,

Municipal Commissioner

Before the Municipal Commissioner
City Municipality Bangalore

Petitioner - S Dodda Munisamy Sa
son of Daktappa
resides at No 28
Basettipet Bangalore City

The petitioner above-named respectfully begs to state as follows -

1 That on 5-2-1945 the Petitioner has been served with a notice to the effect that a portion of his property namely a portion of the premises Nos 46-47-48 in Srinivasa Mandiram road II Division Bangalore City was proposed to be acquired and that if he had any objections he may prefer them before your honour within 30 days of the receipt of the notice referred to above

2 That this petitioner had the benefit of seeing the plan in the Municipality. From the Plan it is clear that except in front of the Petitioner's Premises it is not shown that anywhere else in the entire Srinivasa Mandiram Road was there any idea of widening the road It is also clear from the Plan that the width of the road opposite the adjoining building of Mr H C Suryanarayana Rao Municipal Councillor - is 25 feet But the widening of the road at that place is not contemplated Likewise there does not seem to be any idea of widening the road beyond the Petitioner's house either to the north or to the south It is also clear from the Municipal Plan that the width of the road in front of the petitioner's premises is 35 feet i e 10 feet more than the width of the road in front of Mr H C Suryanarayana Rao's House

3 From the Notification it is clear that there is no idea of widening the road in front of Mr H C Suryanarayana Rao's building where Malbar Lodge is now situated If the Public purposes do not call for the widening of the road in front of Mr H C Suryanarayana Rao's premises where the road is only 25 feet it does not stand to reason that there is any necessity to widen the road just in front of the petitioner's premises where the road is 35 feet i e 10 feet wider than the width of the road in front of Mr Suryanarayana Rao's premises Therefore the Petitioner has every objection for the acquisition of his property where the Public purpose mentioned is so arbitrary and unreasonable

4 Besides the Petitioner has built upon that portion now sought to be acquired after obtaining a license from the Municipality

5 There are no valid or even good grounds for acquiring any of the petitioner's property as is clear from the plan and the Notification At any rate the Public purpose referred to in the acquisition Notification does not appear to be correct

6 That unless and until the adjoining premises are also acquired where the road is narrower the desired public purpose will not be achieved Till then it is respectfully submitted that the proceedings started for the acquisition of only the petitioner's premises may kindly be dropped
